

*store***WALL**TM
walls that work

EXPAND & ORGANIZE YOUR SPACE

Expand and organize your space with wall-mounted storage solutions from StoreWALL. With superior materials and construction, our products are built to last. Plus, you won't find a system that's easier to install. Available in multiple finishes, there's a look for every space.

*Trust the things you value to StoreWALL, the **best value** in storage solutions.*

storeWALL™ CORE FEATURES

HEAVY DUTY THERMOPLASTIC

For durability, strength and consistency.

100% RECYCLABLE

Class 3 recyclable.

SEAMLESS, FASTENER-FREE INSTALLATION

Create any size wall with InstallStrips and Tongue and Groove design.

MODULAR DESIGN

Panel sizes allow for ease of design and installation.

INDUSTRIAL STRENGTH

For maximum load holding and rugged performance.

ACCESSORIES

Compatible with conventional slatwall accessories

SOLID CORE

100% Waterproof, mold, mildew and stain resistant. Multiple colours/wood grains, indoor or outside application.

INSTALLS ON ANY SURFACE

Accepts InstallStrips for installation ease on wood or metal studs and concrete.

BEAUTIFULLY SIMPLIFIED INSTALLATION

STANDARD DUTY *store***WALL**TM

Standard Duty StoreWALL is incredibly strong, rugged and waterproof: ideal for the most demanding applications. It easily installs on any surface; wood studs, drywall, concrete and metal studs using our innovative InstallStrip hidden fastener system, allowing for fast and easy installation.

INSTALLATION MADE SIMPLE, CLEAN & TIDY

INSTALL STRIP

Our innovative InstallStrip is a smart mounting solution for Standard Duty StoreWALL.

Made from high-strength rolled steel and cleverly designed, it allows for easy installation on nearly any surface, including: Metal or wood studs, drywall, concrete and block.

TRIM SELECTION

StoreWALL's trim installs easily with conventional fasteners and helps keep your garage looking clean and finished.

Trim options include: flat trim for butt joints and inside corners, small "L" trim for wall end caps, and large "LT" trim for outside wall corners.

INVISIBLE FASTENERS

The standard screws that are used to secure our Standard Duty StoreWALL securely to its surface are available in all of the same colours as our StoreWALL product, making them almost invisible when installed.

Screws are zinc plated and rust resistant.

CAMLOK FEATURES

EXCLUSIVE CAMLOK

Keeps accessories locked in place.

HEAVYDUTY BACKPLATE

Engineered tough for the most demanding applications.

STW 10 POWDER COAT FINISH

Extra heavy coating to resist dings and protect against rust.

INDUSTRIAL GRADE STEEL

Engineered strong to hold your most valuable equipment.

RUBBERIZED GRIP

For extra grip and prevents damage to your items.

STOREWALL'S 10-YEAR WARRANTY

Performance guaranteed to last 10 years...

...No questions asked!

THE CAMLOK

StoreWALL's accessories feature their exclusive CamLok system to lock your accessories securely into the panels. This chrome plated, solid metal CamLok gives you the advantage of safety, security, and protection. A simple twist holds the accessory securely in place; another turn and the accessory can be easily moved to a different location on the panel. All StoreWALL accessories are built to perform with superior construction and the finest materials: industrial grade steel, heavy duty powder coat finishes and Soft Touch protective rubberized grip will withstand years of use and abuse.

***STOCK NOTICE:** Rustic Cedar is not stocked, but is readily available. Minimum order quantity of 15 boxes is required.

NOTE: Our Graphite Steel finish is a unique metallic surface treatment, very similar to that found on an automobile. The substructure is solid PVC as are all StoreWALL wall panels. Please note the metallic effect is only on the surface and if gouged deep enough, just like an automobile, the gouge may show. Thus we encourage reasonable care and handling be exercised when choosing our Graphite Steel wall panels.
